

## Brookline High School

Brookline, Massachusetts

Mr. Bradley was the project architect for the \$35 Million renovation and new addition to the Brookline High School. He was involved throughout the project from the initial programming phase through the completion of construction documents. He was also involved in the coordination of all consultants and documents for this extensive construction project involving an occupied building and seven phases of construction all of which were completed on time and on budget.

**Address:** 115 Greenough Street, Brookline, MA

**Project Architect:** Charles Bradley, III, AIA (as an employee of Finegold Alexander)
