

Chocolate Dipper

Boston, Massachusetts

The Chocolate Dipper Store at the Mall at Longwood Medical was one of several stores located in the Boston Area. The original being located at Faneuil Hall Marketplace. The existing owner hired Mr. Bradley to provide architectural services resulting in the proposed and designed interior and exterior storefront renovation for his business. Mr. Bradley used mahogany wood veneer with polished stainless steel, mirror finished grid and etched squares. The interior used white and black marble floor tiles and granite counters. The design was highly successful.
